**The KS SHRM State Conference is ready to ride!**

### ATTENDEE REGISTRATION

**Grab your rope! Prepare for the HR Rodeo with KS SHRM in September.** Bullfighting optional but you'll want to grab your spot for the KS SHRM State Conference by registering at [2024.KSSH RM.ORG](https://2024.KSSH RM.ORG). Join your fellow HR peers for this 3-day educational and networking adventure! Registration provides both in-person and on demand options, as well as a discounted student registration option. Come early for our workshop on Healthy Workplace Culture and sign up for our Hoe-Down and show your best line-dancing moves. Either way, boot scoot your way to registration and sign up today!

### VOLUNTEER LEADERS

**As true leaders of your chapters, we have a \$50 discount for all State Council Board Members.** And each chapter receives ONE complimentary registration to give to a lucky HR bullfighter in their chapter.

### BUSINESS PARTNERS

**Howdy, partner! This Ain't Our First HR Rodeo and we know it's not yours either.** Join us in the arena to get in front of more than 400 of our HR champions. Showcase new products and services and interact with decision makers representing companies throughout Kansas. View the itinerary and register for your space today!

### KEYNOTE SPEAKERS

*This year's keynote lineup includes:*

#### ANNE BONNEY

Using her experience, education, and expertise, Anne will ignite YOUR ability to embrace the discomfort of change, courageous communication, and emotional intelligence.

#### NATASHA BOWMAN

A renowned expert in workplace culture, Natasha draws on her own bipolar diagnosis to shed light on the critical importance of HR prioritizing mental health.

#### DAN OBLINGER

Dan turns professionals of all sorts into excellent negotiators and communicators. He'll pull from his extensive expertise to enhance culture in your workplace.

#### BRAXTEN NIELSON

As a rodeo legend himself, Braxten will share the story of his paralysis and how hard work, resilience, and staying positive is vital to overcoming challenges.
