

*Why belong to
HRMN?*

The Human Resource Management Network is one of 15 SHRM-affiliated chapters in Kansas and is the only one that services HR Professionals in the Manhattan, Junction City, and Wamego areas.

Being a member of HRMN connects you with peers in your area and throughout the state as well as providing you with continuing education opportunities, financial assistance, and many other valuable benefits. As an active member of the group and part of the leadership team, I can attest to the priceless growth and development opportunities I have benefited from during my time with HRMN.

Whether you are a current member or just considering the prospect of joining our organization, I hope this information will help you get the most out of your HRMN membership!

Crystal Malchose

2018 HRMN President

YOUR NETWORK →

YOUR PROFESSION

As an HR Professional it is vitally important to stay on top of human resource related legal updates, best practices, and trends.

Because we know how essential continuing education is, HRMN members have access to a multitude of resources designed to help keep up and excel!

Monthly Meetings

Our membership typically meets on the 3rd Wednesday of each month from 11:30 AM to 1:00 PM. The location may vary so be sure to check our website for a current schedule and meeting details; hrmn.shrm.org.

Each meeting will have a short business portion and then a presentation on a timely HR topic.

Annual Seminar

Each year we host a special extended seminar and open it up to the public. The program is typically on an HR topic and aimed towards providing managers with relevant legal and supervisory information.

YOUR CAREER

Leadership Development

Looking for a way to enrich your career and develop as a leader? Being an active member and volunteer leader is a great way to learn, grow and give back to your community and your profession!

HRCI and SHRM Credits

Are you a certified HR professional?

Most of our monthly meeting programs are pre-approved for recertification credits and our annual seminar is typically pre-approved for 3-4 credits.

Financial Assistance

Education and development opportunities can sometimes be cost-prohibitive.

HRMN members have access to Professional Development funds by way of an application process. Whether you are working towards a degree, your certification, or just want to attend a conference; we want to help you get there!

More information is available on our website under the Financial Assistance tab.

YOUR NETWORK

Networking

Any experienced professional can attest to the value and power of a strong network.

By being a HRMN member you belong to a network of human resource professionals right in your own community. These peers can work with you to compare best practices and share their own experience in the field. We can learn so much from one another!

Chamber Membership

HRMN is a Chamber member so that means all of our members can share in the benefits of Chamber membership! Check out their website to learn more about what they have to offer; manhattan.org.

SHRM & KSSHRM Affiliation

HRMN is a SHRM and KS SHRM affiliate. Our connection to those organizations provides us with valuable content and resources that enable us to operate our group effectively.

KS SHRM hosts several state-wide conferences each year and SHRM offers numerous national meetings on a variety of HR topics and disciplines.
